Location: Nordic Camp & Farm Bächlihof

Today we visit the sled dogs at Fischer Adventures' Nordic Camp. A musher will tell us lots of interesting facts about the care and keeping of Alaskan Malamutes and Siberian Huskies and about working with the sled dogs. Equipped with a special hip belt, we go for a walk with these fascinating animals. After a delicious lunch, we head to the Bächlihof adventure farm in the afternoon. We enjoy the nature playground, the goat park and a home-made snack from the farm.

### **Tuesday, April 23, 2024**

Location: Archery at Ritterhaus Bubikon (archery for children aged 8 and over)

We immerse ourselves in the Middle Ages at the Ritterhaus in Bubikon! In the morning, older children from the age of 8 will be introduced to the art of archery. They will be given tips on how to use the bow and arrow correctly with precision, technique and practice. After the first instructions on archery, everyone has enough time to practise for the subsequent games with bow and arrow and for a small tournament. The younger children (5-7 years) make a knight's helmet and a shield in the knight's house and practise with a balloon sword for their knight's tournament. In the afternoon, we explore the old chambers of the Knight's House on a tour and learn interesting facts about travelling in earlier times.

Action & fun is the order of the day! In the game worlds of the Adventure Arena in Dübendorf, we immerse ourselves in various adventure rooms in small groups and can experience unique adventure missions and solve their puzzles with skill and teamwork. The tasks in the individual adventure rooms can be freely chosen or solved several times. In the afternoon, we take the railway to the Uetliberg, where after a short walk we enjoy a fantastic view of the city of Zurich and Lake Zurich. Then it's off to the forest playground.

Today we are visiting the chocolate world of Lindt Home of Chocolate! To start with, we will be amazed by the spectacular chocolate fountain. Here, no less than 1500 kg of chocolate flows down from a height of 9 metres. On our chocolate tour, we will experience the world of chocolate with all our senses: from its creation to chocolate tasting à discrétion....mmh! After a delicious lunch, we play a round of minigolf on an indoor course in the afternoon.
