Location: Bouldering Milandia & Indoor Minigolf

Milandia Adventure Park offers the perfect combination of sport and play. We try our hand at bouldering, where we climb up the colourful climbing walls and land safely back on the ground on thick mats. In addition to the climbing courses, there are other fun games of skill and spinning football. After a delicious lunch, we play a round of mini golf on an indoor course in the afternoon.

Location: Adventure Arena & Natural History Museum

Action & fun are the order of the day today! In the game worlds of the Adventure Arena in Dübendorf, we immerse ourselves in various adventure rooms in small groups and can experience unique adventure missions and solve their puzzles with skill and teamwork. The tasks in the individual adventure rooms can be freely chosen or solved several times. We spend the afternoon in the Natural History Museum in Zurich with 1500 animal species. We become animal detectives and can discover exciting things at the activity tables and research boxes.

Location: Zurich house of art & Bowling

A creative morning awaits us at the Kunsthaus Zürich, where we will immerse ourselves in the world of artists with a children's audio guide. Each work of art with a penguin sign tells us its own story and we can draw and design our own pictures. In the afternoon, we go bowling on the children's lanes with lots of colourful balls.
