We spend the morning in the fresh air on an adventure playground, where we can let off steam in the sand, on various slides, swings and climbing facilities as well as with water games. In the afternoon, you will have the unique opportunity to practise magic tricks with professional magician UMBERTO and you will receive four professional magic props to take home with you after the course. We will perform magic with sneakers, a queen, a cantonal coat of arms and a colored cube. Of course, magician UMBERTO will present us with a real magic show at the end!
